**SUBJECT: Draft Outcomes Report – Fiji Donors and Partners Dialogue 16-17 April 2026**

Dear Fiji-based Donors and Partners,

Thank you for your active participation in the inaugural Fiji Donors and Partners' Dialogue held earlier this year. We apologise for the delay in circulating this draft Outcomes Report.

Please find attached the draft Outcomes Report of the dialogue, convened by the Secretariat of the Pacific Regional Environment Programme (SPREP) in Suva, Fiji, on 16-17 April 2026.

The report has been prepared based on the proceedings and discussions of the Dialogue and provides a consolidated summary of the key issues raised, outcomes achieved, and recommendations emerging from both the closed donor session and the broader development partners session.

We would appreciate receiving any comments or feedback of a substantive nature on the draft report by 14th September 2026. Kindly submit your comments to partnerships@sprep.org.

Following consideration of comments received, a final version of the Outcomes Report will be published.

Yours sincerely,

Easter Chu Shing
**Acting Director General**
