CIRCULAR:	26/85		

SUBJECT: **Support for Pacific Small Islands Developing States (PSIDS) Delegates Participation at the UNFCCC COP31, Antalya, Türkiye, 9-20 November 2026**

Dear Focal Points,

The Secretariat is pleased to inform Pacific Small Islands Developing States (PSIDS) members of the financial support available for one delegate per country to attend the UNFCCC COP31 in Antalya, Türkiye, from 9 to 20 November 2026.

This support, generously provided by the Governments of Australia and New Zealand, includes the delegate's direct return economy airfare to Türkiye and a Daily Subsistence Allowance (DSA) for the duration of COP31. Please note that this support does not cover travel insurance, visa arrangements, or any additional travel-related costs, including expenses associated with travel changes after ticket issuance. These costs remain the responsibility of the nominee or nominating country.

Climate change focal points are invited to nominate one (1) representative, preferably lead negotiators or PSIDS thematic coordinators by close of business on 14 September 2026. Nominations should be submitted via the online form available at this **LINK**. Participants must notify SPREP as soon as possible of any changes or cancellations to their travel arrangements and may be liable for costs incurred due to late notification or cancellation.

For further information regarding the support provided, please contact Mr. Tim Breese at timb@sprep.org, Mr. Ewan Cameron at ewanc@sprep.org and Ms. Teuila Fruean at teuilajanef@sprep.org.

We thank you for your continued cooperation and look forward to receiving your nominations.

Yours sincerely,

Sefanaia Nawadra
Director General
