DATE:	4 September 2026		
CIRCULAR:	26/86		
SUBJECT:	**Mồo Mâ Awê Declaration: Pacific commitments to Nature Conservation 2026-2030**		

Dear Ministers and Heads of Organisations of PIRT,

On behalf of the Government of New Caledonia, the Pacific Roundtable for Nature Conservation (PIRT) and the Secretariat of the Pacific Regional Environment Programme (SPREP), I am pleased to share the draft Mồo Mâ Awê Declaration which will be one of the key outcomes of the 11th Pacific Islands Conference for Nature Conservation held in Noumea, New Caledonia from 7 - 11 September 2026.

The High-Level Segment will adopt the Mồo Mâ Awê Declaration which will be a Declaration of priorities and commitments that Members can inform regional and global forums ahead such as the 17th Conference of the Parties to the Convention on Biological Diversity, the 31st Conference of the Parties to the United Nations Convention on Climate Change ensuring that message will be consistent and strong: that the Pacific leads on nature, ocean and climate, and that we expect the world to match our ambition with finance and with action.

In this regard, we invite reviews and kindly seek your consideration on whether you would like to make commitments to the implementation of the Declaration during the High-Level segment.

Should you have any comments or expression of interest on commitments, please email Monifa Fiu at monifaf@sprep.org with a copy to Juney Ward (juneyw@sprep.org) and Kathleen Taituave-Afereti (kathleent@sprep.org) by the 7 **September 2026.**

Yours sincerely,

Sefanaia Nawadra
Director General
