SPREP Partners
CROP

SUBJECT: **Moana Blue Pacific Pavilion Programme of Side Events and Guide at the UNFCCC COP31 in Antalya, Türkiye from 9 to 20 November 2026**

Bula SPREP Members and Partners,

The Moana Blue Pacific Pavilion with generous funding support from New Zealand and Australia, will host a significant number of Pacific focused side events that will be showcased at COP31 in Antalya, Türkiye. The Pavilion will highlight our Pacific Islands and their climate change stories of innovation, leadership, solutions and challenges.

Noting the call for side event applications closed in September, it is our pleasure to present the Moana Blue Pacific Pavilion programme of side events as of 23 October 2026, which may be subject to change. The programme includes an outline of all the events, plus information provided by the respective organisers. The Pavilion will host more than 90 events, predominantly initiated by Pacific Island stakeholders including those from government, civil society, research agencies, UN, CROP agencies, and other partners of our Pacific region.

We encourage all our SPREP Members and Partners to share the programme far and wide, and to invite interested stakeholders who will be at COP31 to attend our Pacific events to help amplify our Pacific voice. For further information you may reach out to the Moana Blue Pacific Pavilion team via COP31@sprep.org

We have also prepared a side event guide, which helps organisers and visitors alike understand what is available in the Moana Blue Pacific Pavilion as well as roles and responsibilities of all who use the Pavilion.

Our side events programme is also available at this **LINK** and the Moana Blue Pacific app which can be downloaded from Google Play and the Apple Store. We strongly encourage you to download the app to enhance your experience of the Moana Blue Pacific Pavilion in Antalya.

We look forward to meeting you all in Antalya and supporting our Pacific delegates to achieve successful outcomes for our Blue Pacific.

Vinaka,

Sefanaia Nawadra
Director General
